Stellar M22

Shine on

Photorejuvenation

Photo-ready skin every day

The Stellar M22™ Photorejuvenation treatment offers visible improvement for pigmentation, age/sun spots, broken capillaries and overall skin appearance.

Gentle and Effective

Removes skin imperfections and stimulates collagen and elastic fibers production.

Minimal Downtime

Fast treatment with minimal downtime, so you are in and out in a flash!

Be sure to consult with your treatment provider regarding contraindications and risks before choosing this treatment.
